

Cher client,

Nous concevons et fabriquons nos produits pour ceux qui les apprécient autant que nous. Le produit que vous avez acheté a subi toutes sortes de tests et contrôles avant son expédition.

Avant de commencer l'assemblage, veuillez vérifier que tous les composants que vous possédez sont bien mentionnés sur la liste. Si vous avez acheté plusieurs articles, veuillez à réaliser chaque assemblage l'un après l'autre afin d'éviter toute confusion.

Avant de commencer l'assemblage et pour l'entretien courant, veuillez nettoyer chaque composant avec un chiffon doux légèrement humide.

Bien que tous les produits soient fabriqués et emballés avec soin, il peut arriver qu'un composant soit abimé pendant le transport. En pareil cas, veuillez identifier la pièce concernée et contacter notre service client.

Ne pas utiliser votre meuble pour une autre destination que celle pour laquelle il a été conçu. N'hésitez pas à nous contacter pour toute question concernant son usage. Ne pas exposer le meuble à une source de chaleur, une humidité excessive ou une basse température. Le produit s'en trouverait altéré.

# ATTENTION !!

Les produits sont assemblés par un système MINIFIX. Merci de vérifier la liste avant de commencer l'assemblage
